

Curriculum Vitae

Name: Zsuzsanna Forró

Date and place of birth: Veszprém, 1959

Contact address: forrozsuzsa@gmail.com

Education:

1998. Pannon University: MA in English Literature and Linguistics

1994. Budapest Technical University: MA in Teaching Engineering studies

1982. Chemical University of Veszprém: MSc in Chemical Engineering
(Radiochemistry)

1980.: Chemical University of Veszprém: BSc in Chemical Engineering

Professional experience:

from 1999.: University of Pannonia Language Examination and Foreign Languages Centre teaching General English and ESP, developing teaching aids, curriculums.

I am also involved in the work of different Language Examination Centres (Pannon, Origo, ECL, Oeconom, BGE) in the form of developing written and oral tests and being an active examiner.

I am a co-author of two books helping examinees prepare for the Pannon language exam.

I take part in different projects helping students acquire English as a second language. (E.g. Lystra, being a language teaching software on smart phones)

between 1986-1999: József Bem Primary School in Balatonfüred: teaching General English and chemistry

between 1982-1986: Research Institute of the Hungarian Academy of Sciences (Tihany) analytical research in the field of environment protection.
